The purpose of this activity is to demonstrate to your employer that you have completed the TANDI Farm Workers training and are confident that you understand the information.

You can access and print your results at any time from your account by clicking on the 'My Declarations' tab.

It is important that you speak with your Manager or Supervisor to clarify any queries you have.

IF YOU ARE NOT SURE - ASK!

Yes I understand

The training within the TANDI Farm Workers Induction module is an extension of your employer's lawful instructions to you and is designed to keep you and the people around the workplace safe. If you wilfully disregard any safety rules it may have serious consequences to your employment status, including disciplinary action and termination. If you are injured as a result of wilfully disregarding any safety rules, you may not be entitled to compensation even if the action or omission is work-related.
